

Dear Parents:

January just flew by and we are moving into February. I hope your child started off the 2<sup>nd</sup> semester with renewed energy and motivation to do their best. This semester, as a corporation, we have put a strong emphasis on math instruction. Students in all grade levels have been working hard to improve their math skills. There are many online math programs on our school website, [Monroecentral.org/elementary](http://Monroecentral.org/elementary), under computer class links, that the students can access to work on math skills.

**Weather:**

With the unpredictable weather that we have in February, be sure you update your information in Alert Solutions, through powerschool, to ensure you are receiving information about closings, delays and Virtual Option days.

**Tutoring:**

4<sup>th</sup>, 5<sup>th</sup>, & 6<sup>th</sup> grade tutoring will begin Monday, February 6<sup>th</sup>. Permission slips should be returned ASAP. Transportation will be provided, so please take advantage of this opportunity to help your child prepare for the ISTEP+ assessment.

**Virtual Option Days:**

As you already know, this year our school will utilize Virtual Option Days or eLearning Days when school is closed due to weather. Please go to the corporation website or the elementary website and view the "Virtual Option Day" slide show for more information.

**Twitter:** Check out our twitter accounts: @ MCElemPrincipal and @AsstPrinMCE for pictures of our students and information. Also, to find posts from other MCE staff search #MCSCBear s.

**\*\*\*REMINDER: VALENTINE PARTIES WILL BE ON FRIDAY, FEBRUARY 10<sup>TH</sup>, STARTING @ 2:00 P.M. \*\*\***

Sincerely,

*Mrs. Northcutt, Principal*
